**SPECIAL FEATURE for**  
**PE teachers and**  
**Classroom Teachers!**

This year, CCEPE is providing a special strand in the conference specifically designed for classroom teachers who want to learn quick “Energizers” to get their class up and moving, enhance their lessons, and get kids more active without changing the amount of core instructional time. Encourage classroom teachers in your building to attend! We all need to work together to create school-wide wellness!
